ARTICLE 3

GRIEVANCE PROCEDURE

A. Definitions

1. Grievance: a "grievance" is a claim by an employee or the Association based upon the interpretation, application, or alleged violation of this Agreement, policies or administrative decisions affecting such employee or a group of employees.

2. Aggrieved Person: an "aggrieved person" is an employee or employees or, in the case of a group grievance as defined in Section G.1. of this Article, the Association acting on behalf of a group or class of employees having a personal or pecuniary interest or property right allegedly adversely affected by the interpretation, application, or alleged violation of this Agreement, policies, or administrative decisions and making the claim.

3. Party in interest: a "party in interest" is the aggrieved person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. The purpose of this procedure is to secure at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees or a group of employees from the interpretation, application, or alleged violation of this Agreement, policies or administrative decisions. The parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. The parties further agree that teachers shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

D. 1. Any individual employee shall have the right to appeal the application of policies and administrative decisions affecting him through administrative channels. With respect to his personal grievances, he shall have the right to present his own appeal or designate representatives of the Association or other persons of his own choosing (other than representatives of a minority employee organization) to appear with him or for him at any Step in his appeal after Level 1 set forth in Section E. of this Article.

2. When an employee is not represented by the Association in the processing of a grievance, the Association shall, at Level 2 set forth in Section E. of this Article, or at any later level:

- a. be notified in writing by the Administration that the grievance is in process;
- b. have the right to be present and to present its position in writing at all hearing sessions held concerning the grievance;
- c. receive a copy of all decisions rendered.

3. All grievances must be presented at Level 1 as set forth in Section E. of this Article within thirty (30) calendar days from the date the cause of the grievance occurs. In the event a grievance is filed at such time that it cannot be processed through all the levels of this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year could result in irreparable harm, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practical.

E. 1. Level 1

Any aggrieved person shall discuss his grievance first with his principal or immediate supervisor in an attempt to resolve the matter informally.

2. Level 2

If the grievance has not been resolved to the aggrieved person's satisfaction at Level 1 within five (5) school days after the grievance has been discussed with the principal or immediate supervisor, he may within five (5) additional school days thereafter, either individually or through his designated representative, set forth his complaint in writing to the principal, if a teacher or a secretary, or to the Board Secretary, if a custodian or a bus driver. The principal or the Board Secretary shall communicate his decision in writing to the aggrieved person within five (5) school days of receipt of the written complaint.

3. Level 3

The aggrieved person may, either individually or through his designated representative, appeal the principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing within (a) fifteen (15) school days after receipt of the principal's written decision, or (b) not less than five (5) nor more than twenty (20) school days after filing of the grievance with the principal. If no written decision has been communicated by the principal, such written appeal must set forth the grounds upon which grievance is based. He shall attempt to resolve the matter as quickly as possible but in any event a period not to exceed ten (10) school days. The Superintendent shall confer with the aggrieved person and his designated representative. The Superintendent shall communicate his decision in

writing, along with supporting reasons, to the aggrieved person and to his designated representative, if any, and to the principal within fifteen (15) school days after receipt of the written appeal. In the event the Superintendent is also the building principal in the building where the grievance is initiated, the formal written grievance will commence at Level 3 and the Superintendent will be permitted fifteen (15) school days to attempt to resolve the grievance. The remainder of the time line remains the same.

4. Level 4

If the grievance is not resolved to the aggrieved person's satisfaction at Level 3, he may, either individually or through his designated representative, request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools within (a) ten (10) school days after receipt of the Superintendent's decision, or (b) not less than ten (10) nor more than twenty (20) school days after filing of the appeal with the Superintendent if no written decision has been communicated by the Superintendent. Upon receipt of such written request, the Superintendent shall attach all related papers to it and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance, hold a hearing with the aggrieved person if so requested by the aggrieved person, and render a decision in writing not later than forty-five (45) calendar days following submission of the grievance, unless all parties to the grievance shall agree that such written decision may be delayed until another mutually agreed date.

5. Level 5

In the event that the grievance is not resolved by the review of the Board of Education as described in Level 4 and provided the grievance concerns disagreements with respect to the interpretation of, application of, or violation of the Collective Bargaining Agreement between the Green Brook Board of Education and the Green Brook Education Association, and not administrative decision, Board policies, or withholding of increments, the aggrieved employee may elect to have the matter referred for binding arbitration by filing a written request for arbitration with the appropriate agency and with the Secretary of the Board of Education within ten (10) school days after the Level 4 answer or the time specified for the Level 4 answer. The request for arbitration shall be submitted to the Public Employment Relations Commission (PERC). The arbitrator shall thereupon conduct a hearing to determine the facts and make a recommendation to the parties for the resolution of the grievance. The recommendation of the arbitrator shall be binding on the parties. In no event shall the recommendation have the effect of adding to, modifying, or amending the provisions of this Agreement, nor shall it be contrary to any applicable statute or rules and regulations of the State Board of Education or the Commissioner of Education. The fees of the arbitrator and the expenses of the hearing shall be shared equally by the Association and the Board but each party shall be responsible for its own expenses with respect to the hearing.

F. No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

G. 1. If, in the judgment of the Association, a grievance affects a group or class of employees, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level 3.

2. All documents, communications, and records dealing with the processing of a grievance, other than official records, shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

3. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

4. All meetings and hearings under this procedure shall, to the extent possible, be conducted in private and, to the extent possible, shall include only parties in interest and their designated or selected representative, heretofore referred to in the Article.

H. The Association agrees that during the term of this Agreement neither the Association nor any person acting in its behalf will cause, authorize, or support, nor will any of its members partake in any strike (i.e. the concerted failure to report for duty, or willful absence of any employee from his position, or stoppage of work or abstinence in whole or in part from the full, faithful, and proper performance of the employment), work stoppage, slowdown, walkout, or other action against the school district. The Association agrees that such action would constitute a material breach of this Agreement. The Association further agrees during the term of this Agreement that it will actively discourage and will take whatever affirmative steps are necessary to prevent or terminate any strike, work stoppage, slowdown, walkout or other job action against the Board.

I. The School Board agrees that during the term of this Agreement neither the Board nor any of its agents will cause, authorize, or support the locking out of any employee in this bargaining unit.

5. Any employee who desires an unpaid disability leave shall provide the Board with a certificate concerning the disability from his physician. Said certificate shall review the nature of the disability and the anticipated commencement and termination dates for said disability. The Board may request that its physician, or a physician of its choosing, confer with the employee's physician. The Board may require the employee to be examined by its own physician if recommended by the Board's physician after said conference. Said examination will be at the Board's expense.

6. In all cases where there is a dispute or difference of opinion between the employee's physician and the Board's physician, the two doctors will select a third, and the parties will be governed by the opinion of the third physician. Said termination date shall not be delayed by the Board for longer than the nearest ending of a marking period.

Application shall be made on the child-rearing leave form provided by the Board and shall be received by the Superintendent no later than April 1 prior to the termination of the leave granted under E.2.

4. Any employee adopting a child shall be granted a child rearing leave in conformity with the provisions of E.2. and .3. which shall commence upon the date such employee obtains custody of the child. Notice shall be given to the Superintendent at least sixty (60) days prior to the anticipated date of custody if possible, and if not as soon as practicable.

5. Nothing herein shall prevent the employee and the Board from agreeing that an employee may return sooner than the leave termination date granted if such earlier return is administratively convenient to the Board and is not medically contraindicated.

6. The Board shall not grant a child-rearing leave of absence to any nontenured employee beyond the end of contract school year in which leave is obtained, and nothing in this Article shall be construed to require the Board to offer a new contract for a new school year to any nontenured employee who would not otherwise have been offered such a contract.

7. Upon return from a child-rearing leave all benefits to which the employee was entitled at the time of the commencement of leave, including unused accumulated sick leave, shall be restored.

3. No teacher shall be granted a sabbatical leave unless he has completed seven (7) full years in the Green Brook School System.

4. Such sabbatical leave shall be only for the purpose of completing residency requirements for either a doctorate degree in education or an educational specialist's degree, and then only upon the determination of the Board that such advanced degree will benefit the Green Brook School System.

5. Nothing herein shall require the Board to grant any sabbatical leave, and any such leave which may be granted shall first receive the approval of the Board upon recommendation of the Superintendent of Schools. The major criteria to be considered by the Board are:

a. how the advanced degree will benefit the Green Brook School System, and

b. the effect of such school year's absence upon the Green Brook School system;

6. Each teacher accepting a sabbatical leave shall sign a contract with the Board agreeing to serve for at least two (2) years in the Green Brook School System after completion of the sabbatical leave.
